American Falls District Library	<p>Updated April 17 - We miss you and we look forward to seeing your faces and serving you again soon. We are currently having issues with fines accruing during our closure and we want to assure you that we are aware and we have a tech team currently working on resolving that. The book drops will be open prior to our public reopening and we'll keep you notified when that will occur as soon as we know.</p> <p>The actual due date of your items will be the day we reopen the book drops prior to public reopening. Challis Public Library	<p>April 21 - The Challis Public Library, with guidance from the National Library Association, and National Association for Rural and Small Libraries, and to be aligned with other community closures, will be temporarily closed until further notice. The library understands in order to best protect our regular patrons, library workers, and our community from exposure to COVID-19 this is the proper step to take. Libraries are, by design, unable to practice social distancing and disinfecting to the degree recommended by the Centers for Disease Control and Prevention and other health authorities. Keeping libraries open at this time has the potential to harm our communities far more than help. By closing the public library, we understand that lives may be saved. Please utilize our many online services found on our website including TumbleBooks, DayByDay, and the 3M Cloud Library.</p> <p>We will not be able to check out books until further notice.</p> <p>All library fees will be waived during this time.</p> <p>Wishing you and our community the best during this time.</p> <p>Challis Public Library</p>			Temporarily closed until further notice.	<a href="http://challis.lili.org/">http://challis.lili.org/</a>	<a href="https://www.facebook.com/Challis-Public-Library-882836845076903/">https://www.facebook.com/Challis-Public-Library-882836845076903/</a>

All items out now have a due date of June 1. Available holds have their hold until date extended to June 15. Guests may place holds but the hold will not be fulfilled until we reopen.</p>			Closed Until Further Notice	<a href="http://eaglepubliclibrary.org/">http://eaglepubliclibrary.org/</a>	<a href="https://www.facebook.com/EaglePublicLibrary/">https://www.facebook.com/EaglePublicLibrary/</a>
East Bonner County Library District	<p>With heavy hearts, we are closing the Sandpoint and Clark Fork Libraries and Bookmobile effective March 17, 2020 at 7:00 PM. We do not have an anticipated date of reopening at this time. Please stay tuned, updates will be posted here and on our social media sites.</p> <p>Will you be accepting returns?</p> <p>Starting April 20th, the book drops on the building will be open for returns on Mondays only. Drive-up returns will remain closed. Opening return bins on Mondays will allow you to return items you no longer need and will allow materials to be untouched for a few days before staff handles them. Don't worry, even if you don't return your materials on Mondays, there will still be no late fees!</p> <p>Can you offer curbside pick up?</p> <p>We considered this option but we do not believe it would be best practices as we are closed to help stop the spread of germs. With the nature of our items needing to be returned, unlike food services, we chose not to offer this service at this time.</p> <p>Can I still put items on hold?</p> <p>While we are not currently offering holds pick up, we will not be canceling any holds you have currently and any holds that have already arrived on the hold shelf will be waiting for you when we reopen.</p> <p>Since we are not processing new holds, we have disabled the online option for materials that are available on our shelves. You can still put holds on materials that are currently checked out to someone else. Once we reopen, our holds options will be returned to normal settings.</p> <p>Anything that you checked out after February 24th has been updated with a due date of April 15th and our settings have been changed so that items won't become overdue after that point. We are also doing our best to make sure library cards do not expire during this timeframe.</p> <p>If you are still unable to access a resource on the Digital Library, please call and leave a voicemail. We will get back to you as soon as possible.</p> <p>How do I get ahold of someone to renew materials or if I have more</p>	No	No	Closed Until Further Notice	<a href="http://ebonnerlibrary.org">http://ebonnerlibrary.org</a>	<a href="https://www.facebook.com/ebonnerlibrary/">https://www.facebook.com/ebonnerlibrary/</a>

Nampa Public Library	<p>The Nampa Library Board of Trustees met Wednesday, March 25, to discuss the Library closure and plans moving forward. With news of Governor Little's statewide stay-home order for 21 days, the Library Board unanimously voted to extend the Nampa Library closure indefinitely for the safety of staff and community.</p> <p>As of now, emails and phone calls are still being answered on a limited basis during the closure and Library staff is still looking at ways to continue serving the public during this time. Until the Nampa Library reopens, patrons are asked to hold on to any materials currently checked out. All due dates have been extended to June 1. The outdoor book drop is closed, and no returns are allowed at this time.</p> <p>In order to comply with the Governor's orders, we are moving completely to virtual services.</p> <p>One of these new services include a temporary digital library card. This card is for Nampa residents over the age of 18 who currently do not have a library card. This card will allow residents to borrow items from the Nampa Public Library's digital resources and will be active until 6/1/2020. You may apply for this card at <a href="http://nampalibrary.org/digitalcard">nampalibrary.org/digitalcard</a>. The Library's e-resources are available at <a href="http://nampalibrary.org/elibrary">nampalibrary.org/elibrary</a>.</p> <p>The Nampa Library is also currently offering mobile printing and mailing of documents. The Library will charge for the printing, but the postage is free. If you need a document printed, visit <a href="http://nampalibrary.org/printservice">nampalibrary.org/printservice</a>.</p> <p>The Nampa Library will continue to monitor the COVID-19 public health updates and will keep the community informed of what the Library is doing via their website (<a href="http://nampalibrary.org/coronavirus">nampalibrary.org/coronavirus</a>) and Facebook page. The health and safety of staff and community is our highest priority at this unprecedented time.</p>			Closed Until Further Notice	<a href="http://nampalibrary.org/">http://nampalibrary.org/</a>	<a href="https://www.facebook.com/nampalibrary/">https://www.facebook.com/nampalibrary/</a>
